Few can bring the warmth
 He can find in their embrace.
 And little more is needed to bring love
 Than the smile on their face.
 They're a supply of precious stories.
 But they're here to wipe a tear.
 Or give us reasons to make us laugh.
 They grow more precious through the years.
 I believe that God sent us Grandparents
 As our legacy from above.
 To share the moments of our life.
 As a precious memory of His love.

The same family tree,
Into this world we sprouted
Call it destiny!
It's cousin to cousin
A special thing
A closeness to which we're tied,
And you're always been there
To laugh with me
Or even when I've cried.
Anyway I think it's fantastic
That you were meant to be
A part of my life, my cousin,
You'll always be special to me!
